ACKNOWLEDGMENTS

The Harbor Light Staff of 1955 would like to express its appreciation to Mr. Dale Knapp, who was our patient advisor; Miss Hazel Rugg and Mr. George Daly for their careful proofreading; Carl Katila, Jr. for his advice and excellent photography work; and everyone who has helped us in any way to prepare this annual.

DEDICATION

Mr. Lauver, in our association with you through mathematics courses, drivers' training classes, and athletics, we have thought ourselves to be extremely fortunate. You have been a patient and understanding teacher. You have helped many of us by your instruction. You have taught us the principles of fair play. Your sense of humor has never been found missing. To you, Mr. Lauver, we are honored to dedicate this annual.

MEMORIES OF THE SCHOOL YEAR

Another year will soon be over for Harding High students. For some, it has been the most important year in their school career because it is the last one. For others, it has just been a step in the long progress of education. Ever since September 7, 1954, when 305 alert youngsters ran into Harding High, until June 6, 1955 when these 305 bade farewell to the seniors, the school has been busy shaping them into students. However, it is the students who have made our school what it is.

From the view-point of a student, the year has been busy. The Allens and Jack Rank's Shakespearean readings were a few of our assemblies. Student-participation programs have been more common this year. The Thanks-

giving, Christmas, and Easter assemblies were all performed by students. Sports have always been in the tradition of Harding. The cold days of cheering our football team, the pride in the basketball team, and our interest in track and baseball will always be remembered. This was the year that the new and modern gymnasium, industrial arts rooms, and band rooms were completed.

The school always enjoys itself at the school dances. The football dance, which is becoming traditional with the election of a king, queen, and attendants, and the gay spring dance are given each year. This year two more informal dances were given, the "Sock-Hop" and the "Stag-Drag". The prom is one of the highspots for those who are old enough to attend, and for those who aren't, it certainly is something to look forward to.

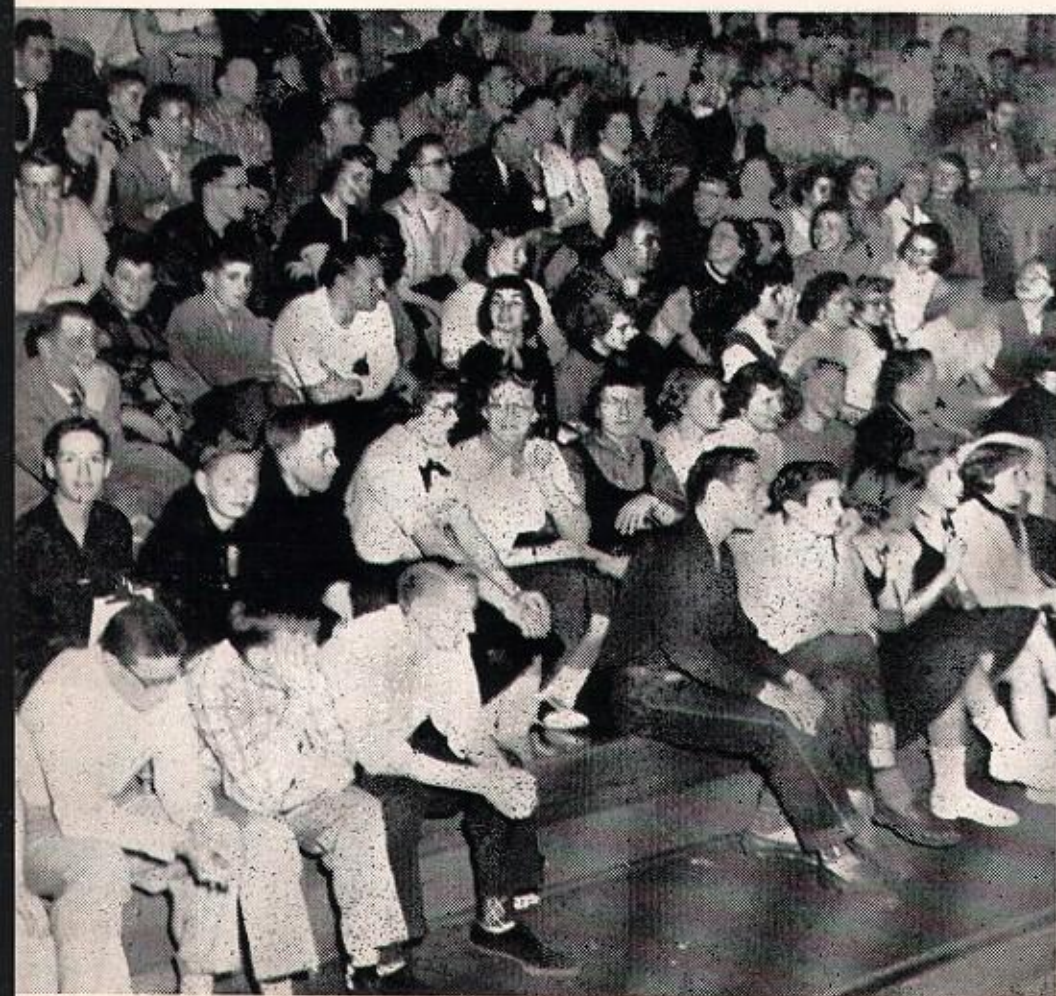

There are other things that are important. Studies are one. Fairport students should be proud of the school's reputation for high academic standards. Class officers are elected; class discussions are held. These are steps in building citizenship. The clubs and musical organizations encourage co-operation and fair play.

The seniors will soon leave this school life, some happy and some sad, but they all will carry a part of the school with them. The school will lose something, too.

Soon these memories may grow dim, but with your Harbor Light, they will live for years. The growth of yearbooks has resulted from a real need. Long ago students assembled "memory books", which were scrapbooks composed of programs, snapshots, and other incidentals which the student wished to remember. Out of these "memory books" grew the present-day annuals.

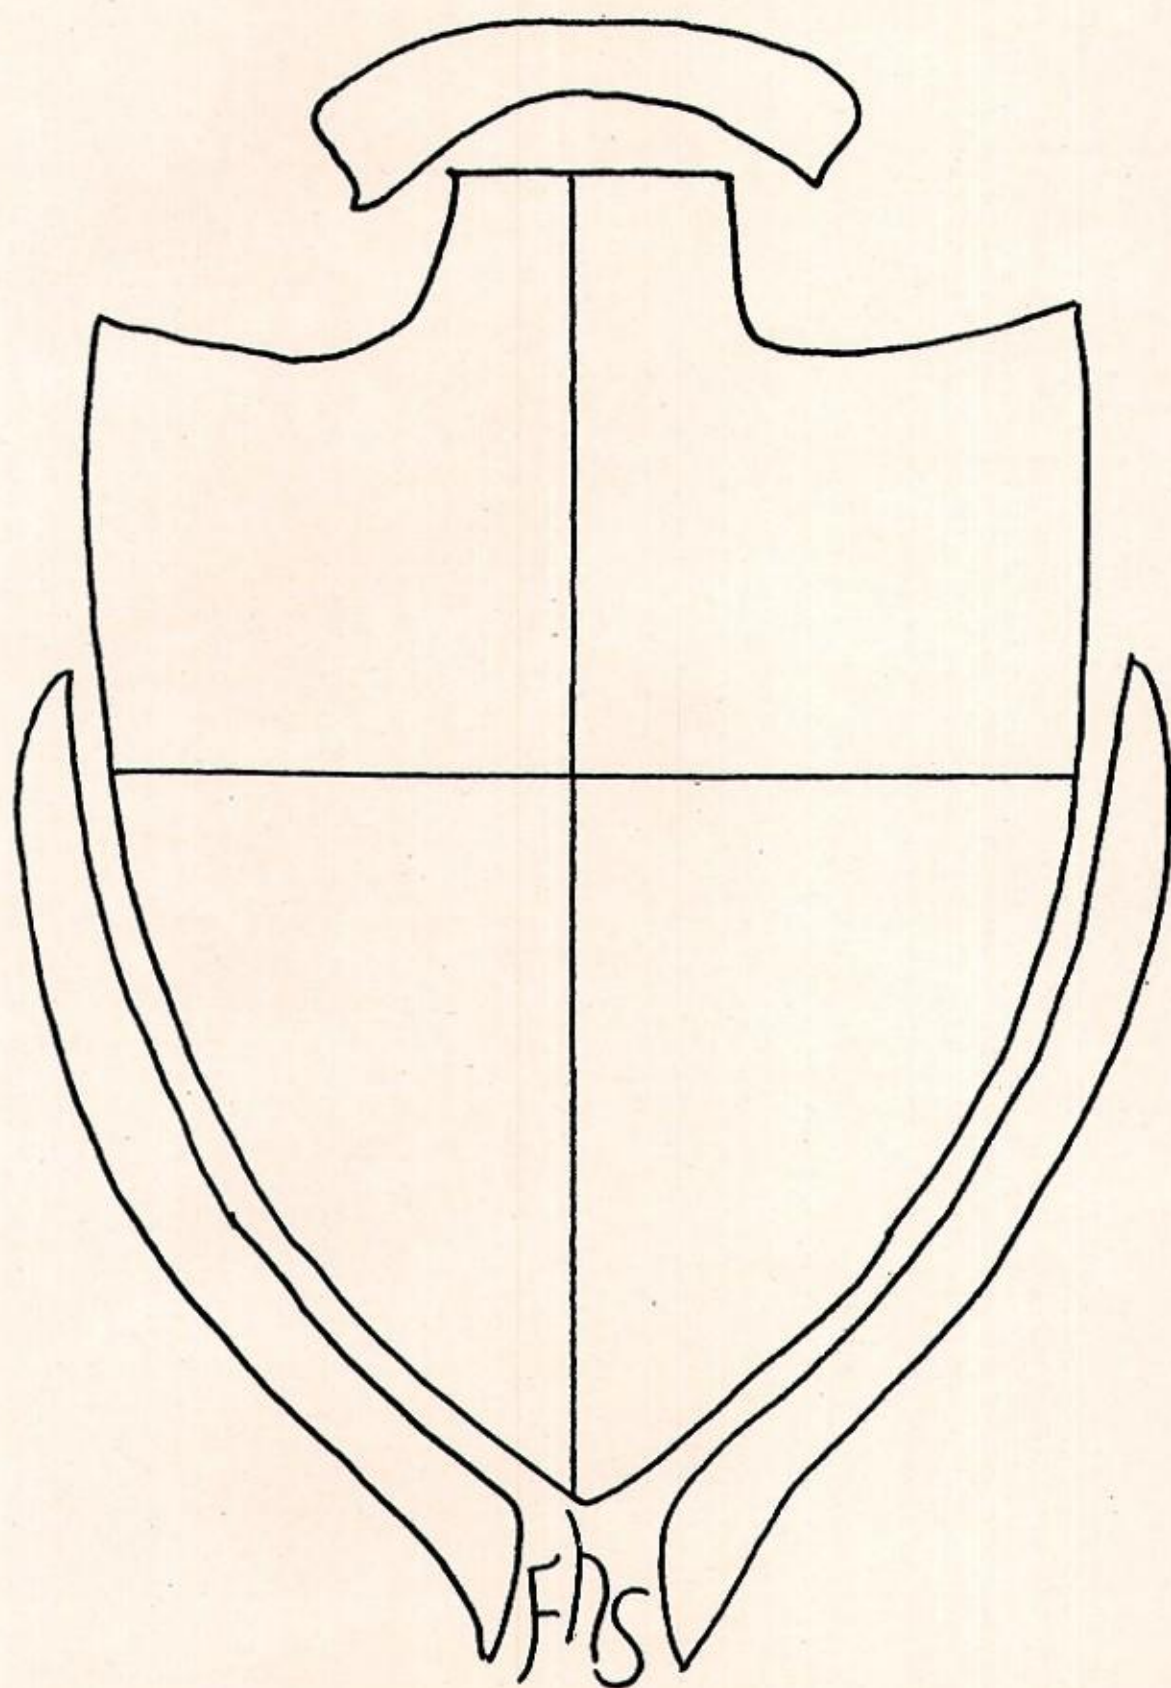

The Harbor Light staff has compiled lists, taken photographs, drawn pictures, and written stories to give the students of Harding High School their memory book. Through our pages we will try to construct a class, student body, faculty, and high school. We hope our "memory book" will be a true and lasting picture of Harding High School, 1954-1955.

Relaxing in the reading room.

Studying in the study hall.

LIBRARY

The library has become interwoven with the school life of Harding pupils. They spend their study halls in the library. There is ample room in the study hall, and the reading room provides adequately for students who wish to ask each other questions or study together. The library provides them with a place to study and an excellent reference collection. Newspapers, magazines, and fiction is provided for those who can use a "free reading" period.

The librarians help students choose books to make book reports and help them find information they need from reference books. Often themes or papers that have to be typed are completed on the library typewriter. High school girls are used as desk assistants. In the evenings, the library becomes one of the places students can feel at home.

BROWN MEMORIAL BUILDING

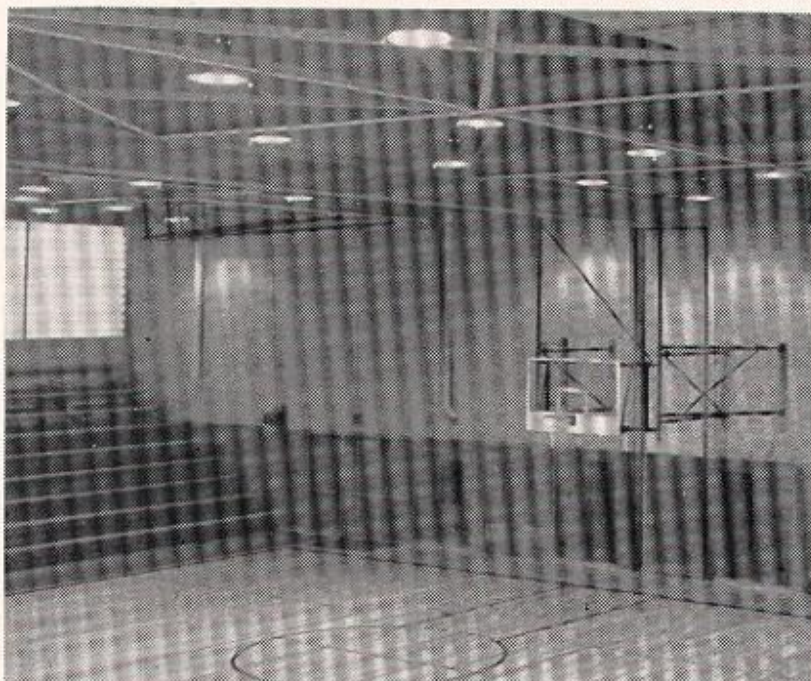

The new Brown Memorial Building was dedicated this winter, and Fairport is now proud to boast of having one of the finest and newest gymnasiums in Northeastern Ohio.

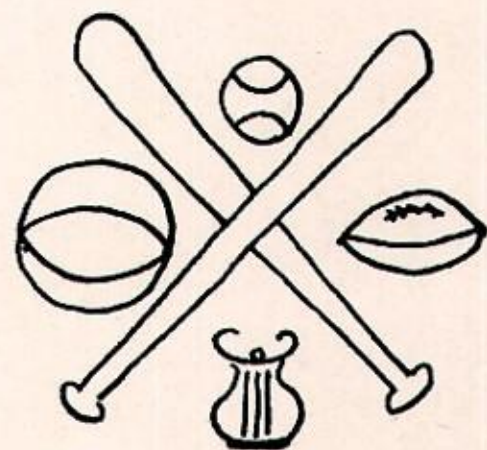

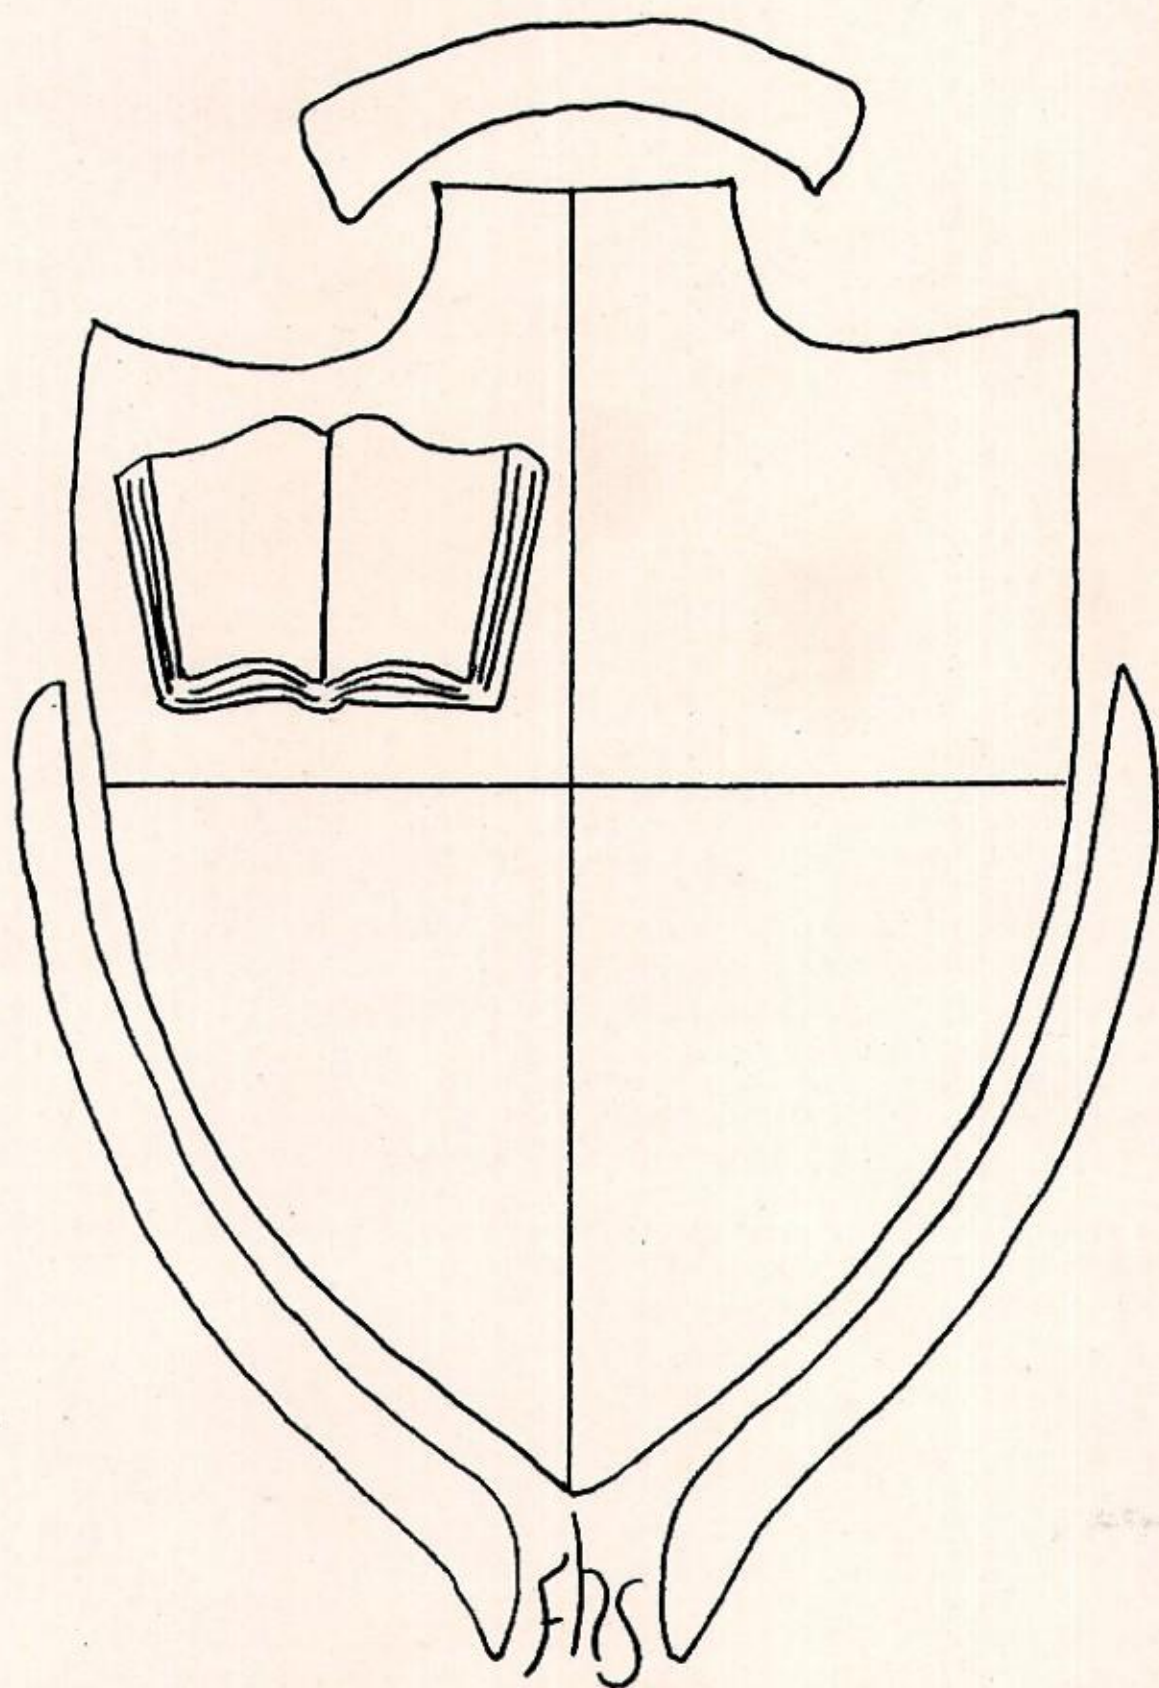

The first basketball game played in the gym was against Harvey High School on December 10, 1954, and attending the game, was the largest crowd Fairport has ever had at a sports event—an estimated 1,000 fans.

David "Butch" Hilston was the first player to score a basket in the first official varsity basketball tilt. The Skippers went on to make it a fitting dedication by downing the Harvey Red Raiders.

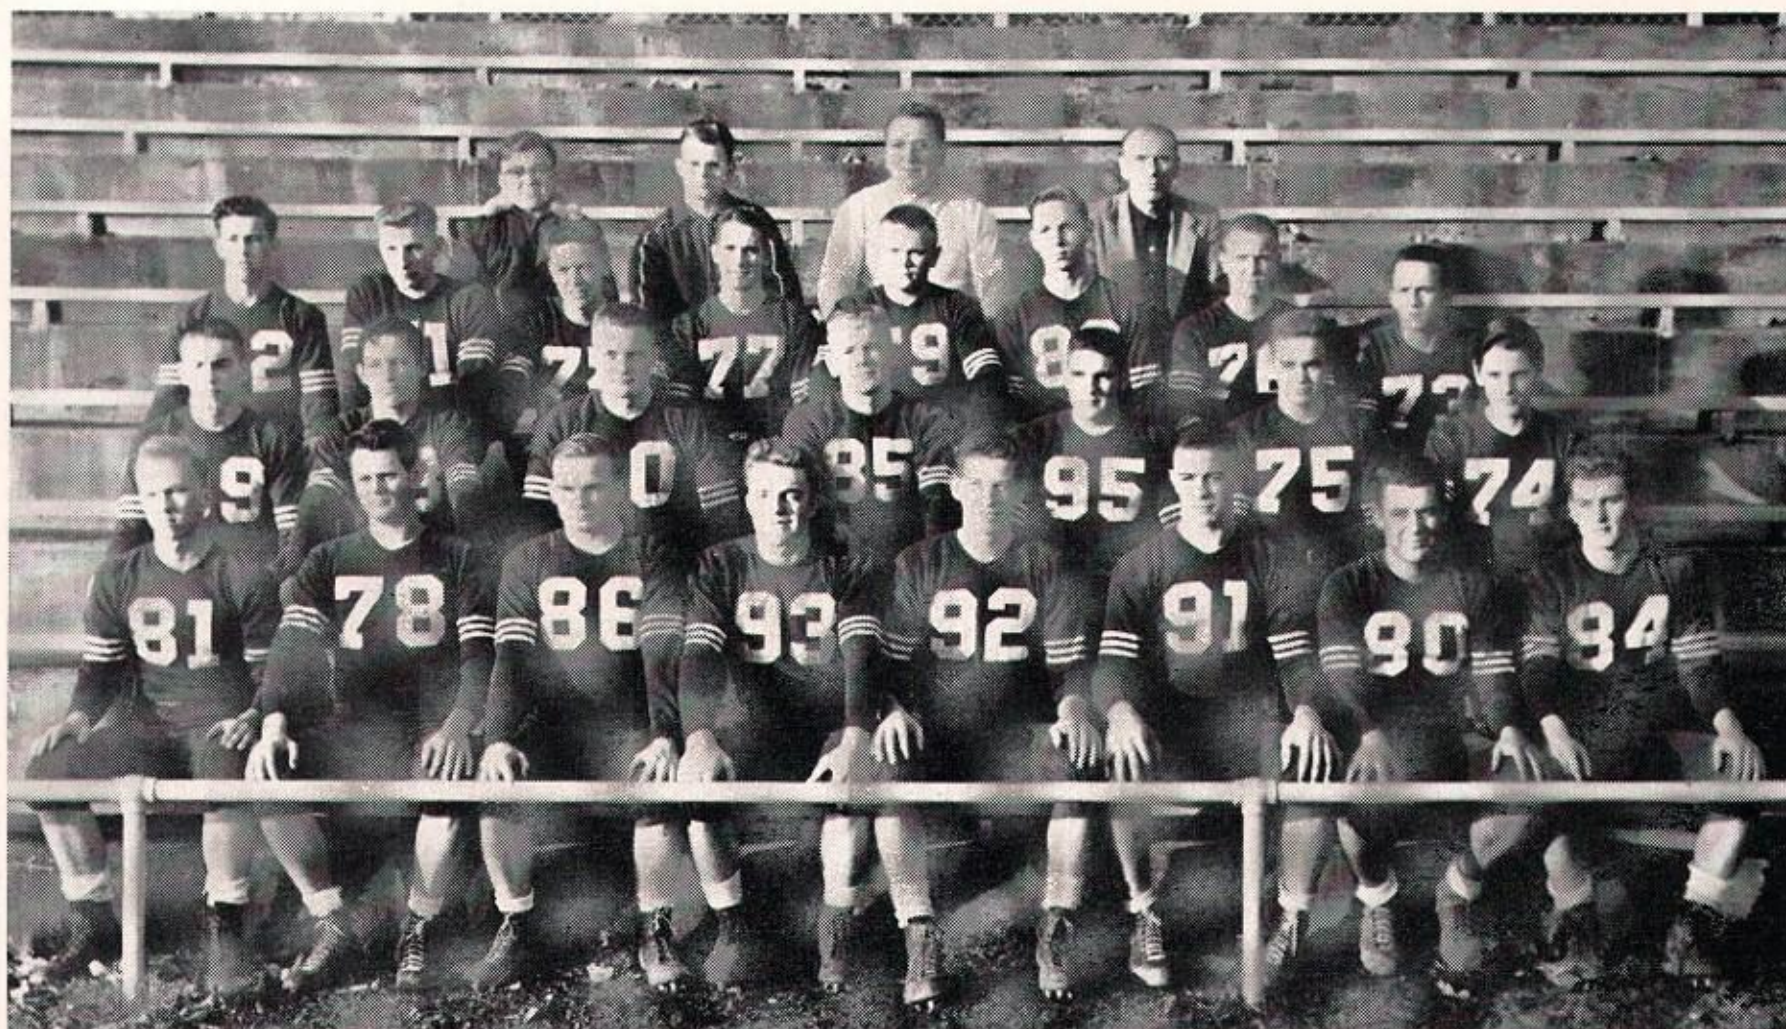

An important feature of the new gymnasium is a sliding partition which can be drawn across the actual playing floor and two separate gym classes can be conducted at the same time, one for boys and the other for girls. The seating capacity of the whole gym is estimated at 1,200. Besides the gym there are an industrial arts room, a band practice room, individual practice rooms, training rooms, and home and visitor's shower and locker rooms.

Yes, Fairport has every right to be proud of such a building!

SPORTS AND MUSIC . . .

Left to right, first row: David M. Hilston, John Knotts, Richard Wilhoite, Steve Ruszkai, John Resetar, David G. Hilston, James Cardina, and Richard Katona.

Second row: Thomas Remaley, Kenneth Urban, Robert Potti, Darryl Mackey, Richard Eckert, Robert Lurvey, and Norman Randa.

Third row: Richard Orris, Ray Myers, Ray Nelson, Richard Bell, Delbert Keltto, Richard Katila, Robert Jarboe, Robert Myers.

Fourth row: Donald Rinyo, manager; Robert Ulle, manager; Matt Ivary, coach; and George Daly, assistant coach. Absent: Gary Brainard and Albin Ulle.

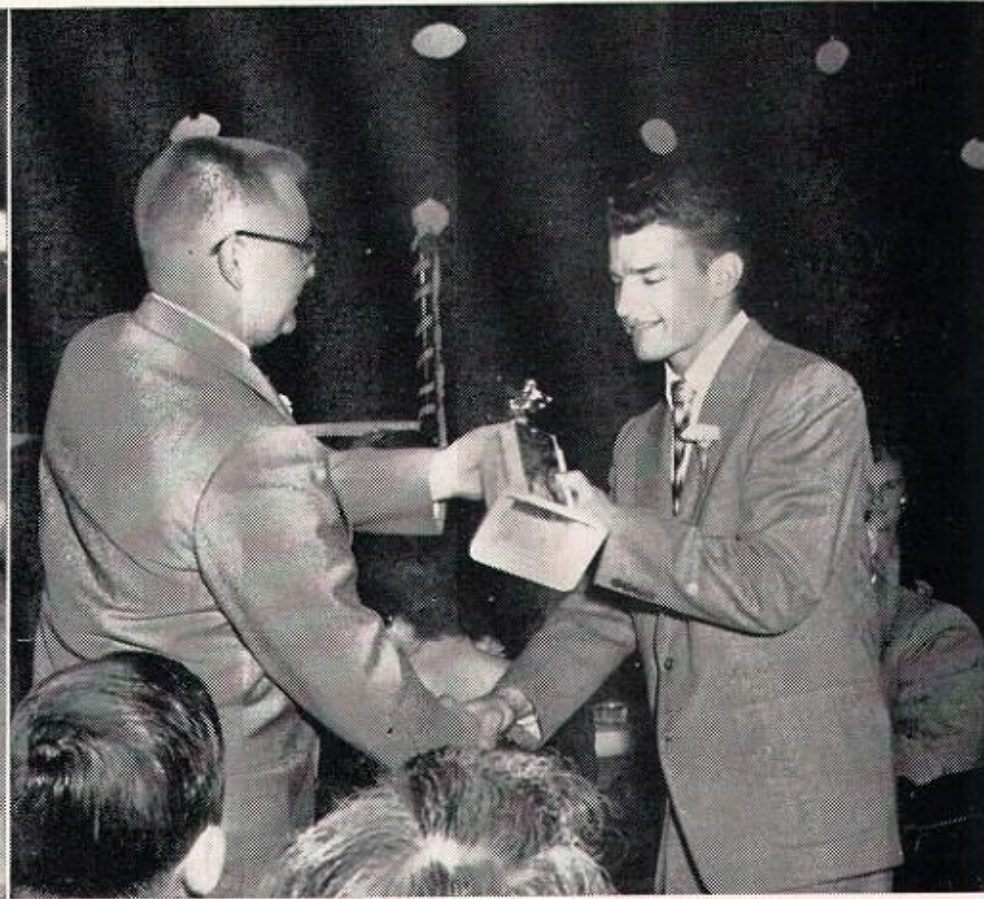

The Fairport Skippers again wound up with a better than expected season. In fact, Coaches Matt Ivary and George Daly were well satisfied with the inexperienced team. The team could boast a five win, three loss record, which is not too bad considering the caliber of the opponents. Fairport played eight class A schools, some with large enrollments.

The Skippers placed only third in the Northeastern Conference with a 2-2 record, but with the players returning next year, the outlook is much brighter than it was last September.

Robert Jarboe (No. 76) is leading interference for fullback Robert Potti (with ball) as Potti charges for a sizable gain against the Riverside Beavers.

Rich Katona (No. 84) goes for a short gain but is encircled by four Geneva players and is stopped.

Richard Katona, three-year football letter-man and the play-caller of the football team, receives the V.F.W. Most Valuable Player Award.

Fairport 6 — Mentor 26*

Fairport's only score was by Darryl Mackey on a left end run. The Cardinals proved too much for the Skippers to let them score anymore. Mentor boasts the league title for the second year in a row, but the Skippers will be aiming for it next year.

Fairport 38 — Geneva 12*

The entire Skipper line and backfield played excellent ball to enable the local eleven to cop their first season's N.E.C. victory.

Fairport 34 — Ashtabula Harbor 14

"Butch" Hilston highlighted the game by one of the season's longest runs, 90 yards after he plucked a handoff from the Harbor quarterback. Dick Eckert and Jim Cardina were the defensive stars.

Fairport 0 — Painesville 25*

Everything seemed to go wrong—for the Skippers, that is. It rained all day and the field was drenched and soggy, hindering a running attack and preventing any passing. Harvey played excellent football to sink the Skippers as Landfield ran wild.

Fairport 12 — Conneaut 6

Bouncing back from their defeat from Painesville, the local Harding eleven came back with an impressive victory over Conneaut, the favored team by 4 T.D.'s. Albin Ulle scored the first T.D. on a beautiful 56-yard run and Ken Urban took a pass from Bob Potti and raced 28 yards for the final tally.

Fairport 15 — Wickliffe 6

Too many injuries prevented the team from rolling up a larger score, but the outcome wasn't bad at all. "Bull" Mackey scored the first touchdown and Potti threw the pigskin to Urban for the second score. Katona booted the extra point.

Fairport 26 — Riverside 0*

The Skippers had a big night against Riverside with everybody getting a chance to show their stuff. The second team played most of the second half. Scores were made by Hilston, Urban, Potti, and Mackey.

Fairport 7 — St. Joseph's 20

The local schoolboys played on even terms with the boys from the big city for the first three quarters, but in the final quarter St. Joe's superior manpower made the difference.

* Indicates N. E. C. games

Seated: Bob Ulle and Don Rinyo, managers. Standing: Head Coach Matt Ivory and Assistant Coach George Daly.

Quarterback Richard Katona puts his head down and plows over the goal line for a T.D. before being brought down.

Richard Katona, 165 lb. senior—All league quarterback and one of the finest ball players around is what they say about Rich. A triple threat back, Rich will be the hardest man to replace next year.

James Cardina, 160 lb. senior—“Bummy” starred on offense and really proved that he could handle that center spot when an accurate pass from center meant the difference between victory and defeat.

Steve Ruszkai, 175 lb. senior—Steve, the scholar of the squad, tackled the opponents with as much zest as he tackled the books.

Richard Willhoite, 175 lb. senior — “Kilroy” really was a mean guard when he was in the game. Persistent injuries benched him for nearly half the season. He will be sorely missed next year.

Robert Potti, 180 lb. junior—This boy could plow right through the defensive line for some good gains when he wanted to. Bob was an asset at the fullback position and will return again next year.

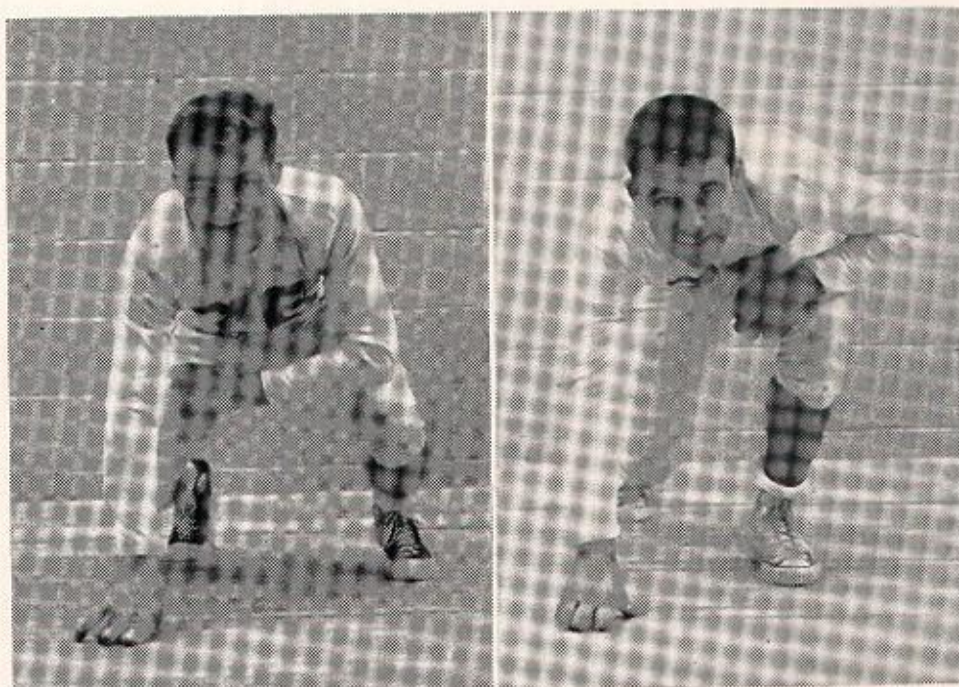

Richard Katila, 155 lb. junior—A hard hitting guard was “Princie”, who paved the way for many a T.D. and also prevented a number of opponents from scoring.

Thomas Remaley, 160 lb. junior—“Coach” starred on defense and was pretty hard to move from his tackle position. This boy has one more year to continue his fine work.

Albin Ulle, 160 lb. sophomore—Albin was one of the two fleet-footed halfbacks that the Skippers sported this year until a knee injury benched him after the Conneaut victory. Albin cracked that game wide open with a startling 55 yard run to pay dirt.

Richard Orris, 145 lb. sophomore — Ritchie wasn't too big, but he could really get up and block and plug up the line. This rough and tough guard has two more seasons of action in store for him.

David "Butch" Hilston, 190 lb. senior — Butch was voted unanimous all-league end for his terrific defensive work this season. Butch has aided the team for the past three years and has been voted all-league twice.

Steve Ruszkai and James Cardina, two football lettermen who were not present for another picture, are shown here at their usual positions.

David "Whitey" Hilston, 155 lb. senior—Whitey also held down the tackle spot and showed himself to be mean at all times.

John Knotts, 190 lb. senior—"Bucky" with his glue fingers showed that he could hold his own at the end spot. He could really hold on to those passes.

Richard Eckert, 210 lb. junior — "Crunchy" besides adding all the humor to the team was a Tarzanic two-way tackle. He proved his worth in many games and will also return next season.

Kenneth Urban, 155 lb. junior—Ken could play either end or halfback and he proved that he could handle both positions well. Ken will return next year and we hope he sees a lot of action.

Darryl Mackey, 165 lb. junior — "Bull" rounds out the team of running backs and is a constant threat on offense. One more year is also left for him.

John Resetar, 160 lb. senior—An end who was at his best in the Geneva game, Jack proved that extra effort pays off in the long run—72 yards long.

Gary Brainard, 140 lb. sophomore—Another fleet-footed halfback that has a story similar to Ulle's. He also had a knee injury from the Conneaut game. Fairport expects great things from this speedster.

Robert Jarboe, 165 lb. freshman — Being a freshman didn't hinder this boy from showing his stuff. He could carry the ball and block and tackle like a veteran. Many years of play are left for him yet and we know he'll make good.

MIXED ENSEMBLE

The Mixed Ensemble was organized early this year after try-outs were held. Tenth, eleventh, and twelfth graders were eligible to try out. Nine girls and six boys were selected. They practice at various times after school under the direction of Mr. Stanley Coffelt.

The ensemble made its first appearance at the vocal contests; however, the group had to be reduced to comply with regulations. The nine girls of the mixed ensemble also decided to enter the contests as a girls' ensemble. In reality, this group is really two in one. They performed again at the Spring Concert and were well received.

The club has a humorous initiation for new members each fall. Later, they sponsored the very successful "Sock Hop", the shoe-less dance which most of the school attended. Some of their projects have been collecting pencils for the needy school children in Korea and preparing Christmas food packages for the needy. They presented an Easter assembly for the school. The interesting year was climaxed by the annual Mother-Daughter Banquet, which is held in the spring. At this banquet letters are awarded to club members who have earned them according to the rules of the club.

The 24 members range from ninth to twelfth graders. They meet every first and third Monday in room 5. Miss Gladys Jacobs is the advisor.

The club hopes to promote interest in the organization of business clubs in school, to furnish a means of developing professionally, to encourage social contacts, and to become conversant with modern progressive business methods and systems.

The club has been very active this year. They revised the old constitution and selected a club pin. They have made trips to industrial offices, heard speakers, and held panel discussions on topics related to business.

SCHOLARSHIP CLUB

Scholarship Club is the most unusual club in Harding. To become a member is an honor which not everyone can achieve. Grades are averaged from the second semester of the previous school year and the first semester of the current school year, except for freshmen, who may become members on the basis of their first semester grades. The students who rank in the top 10 per cent of the boys and the top 10 per cent of the girls become members.

This year, it has changed from a purely honorary society to an active club, and the members have drafted a constitution. They hold their meetings after school every other Thursday, in whatever room is available. The objectives of the club are to arouse interest in good scholarship, acquaint the student body with available scholarships and college programs, and promote and exemplify good scholarship.

During the Christmas season, the club sponsored Christmas music and readings each morning over the public address system. Letters are awarded in the club after a member has fulfilled the requirements. The club's main project this year has been studying student councils. They have made reports, attended student council meetings, and heard speakers. Mr. Dale Knapp is the advisor.

GIRLS' ATHLETIC ASSOCIATION

A glimpse of an exciting basketball game.

The Girls' Athletic Association has charge of all girls' intramural sports. Girls from ninth to the twelfth grades are eligible to play. The games are played on Tuesday and Wednesday after school.

Soccer, volleyball, basketball, and softball are played. A girl has to earn 100 points to become a member. 500 points earn a small letter, and 1000 points bring a large letter. Points are earned by participating in games, refereeing, and keeping score or time.

The club hopes to promote sportsmanship and enable girls to participate in intramural sports. There are 90 to 100 members. Meetings are held at the call of the president. Miss Joyce Anglin is the advisor.

CHEERLEADERS

The cheerleaders have become a necessary part of school life. These energetic girls are in charge of leading the cheering sections at football games, basketball games, and rallies. They have sponsored many rallies during the year. The varsity cheerleaders are the instructors of younger girls in Pep Club.

The cheerleaders are chosen early in the fall by a vote of the entire school. All the girls who are interested in cheering must audition before the school, and the student body votes for the girls who they think do the best job. The requirements are that they must have belonged to Pep Club one year prior to their try-out, and they must be at least in the ninth grade. Boys are not excluded, but it is very rare to see a boy cheerleader from Harding. A new feature was instituted this year with the electing of three Junior Varsity cheerleaders from the seventh and eighth grades. These young girls cheer for the Junior Varsity basketball games.

The girls practice whenever they can find an appropriate time. They learn to synchronize their cheers, learn new cheers, and sometimes compose original cheers. These girls work very hard, and we should all be proud of our capable cheerleaders.

Miss Hilda Kula has offered seventh graders an unusual type of club. Anyone in the class who is interested in crafts is welcome to join. No officers are elected. The members have learned to follow directions, to use leisure time wisely, and to make useful articles.

These busy little workers can often be seen working on their projects in study halls. The class has been divided into two sections, 7B-1 and 7B-2. One section meets in room 18, eighth period Monday, and the other meets first period, Friday.

The 43 members have worked on projects that interest themselves. Some projects have been aluminum plaques, belts, baby moks, wallets, coin purses, and bags.

No officers are elected. Any eighth grader who is willing to work can be a member. They meet Thursday, first period, in room 18.

Besides using their leisure time advantageously, these boys have made animals, flowers, moccasins, key cases, five varieties of coin purses, and seven kinds of bags. Miss Hilda Kula is the sponsor.

Pep Club is one of the most active clubs in Harding High. The 31 members meet every Monday, first period, in the gym. Older girls teach the younger and inexperienced members the fundamentals of cheerleading and baton twirling.

This club sponsors the candidates for cheerleading. Each candidate must belong to the club for a year before she is eligible to try out.

Dues (10c a week) are collected, and the girls sell programs at football games to earn money. This money is used to buy uniforms for the cheerleaders and to finance the annual school dance in the spring. Miss Joyce Anglin is the sponsor.

BOYS' SPORTS CLUB

Under the supervision of Mr. Matt Ivary, this large group of seventh and eighth grade boys study various sports. They meet each Monday, first period, in the balcony of the auditorium, where they see sport movies or discuss sports.

The 44 members are gaining a broader knowledge of the various team events they will participate in while they are in high school. Besides learning the proper techniques and rules of sports, they also learn the essence of good sportsmanship. Besides being educational, the club is also interesting and entertaining.

SENIOR CLASS PLAY OF '55

Miss West, the director of the play, chose a sprightly and gay comedy, "Our Hearts Were Young and Gay". This delightful and thoroughly laughable play was dramatized by Jean Kerr from the book by Cornelia Otis Skinner and Emily Kimbrough.

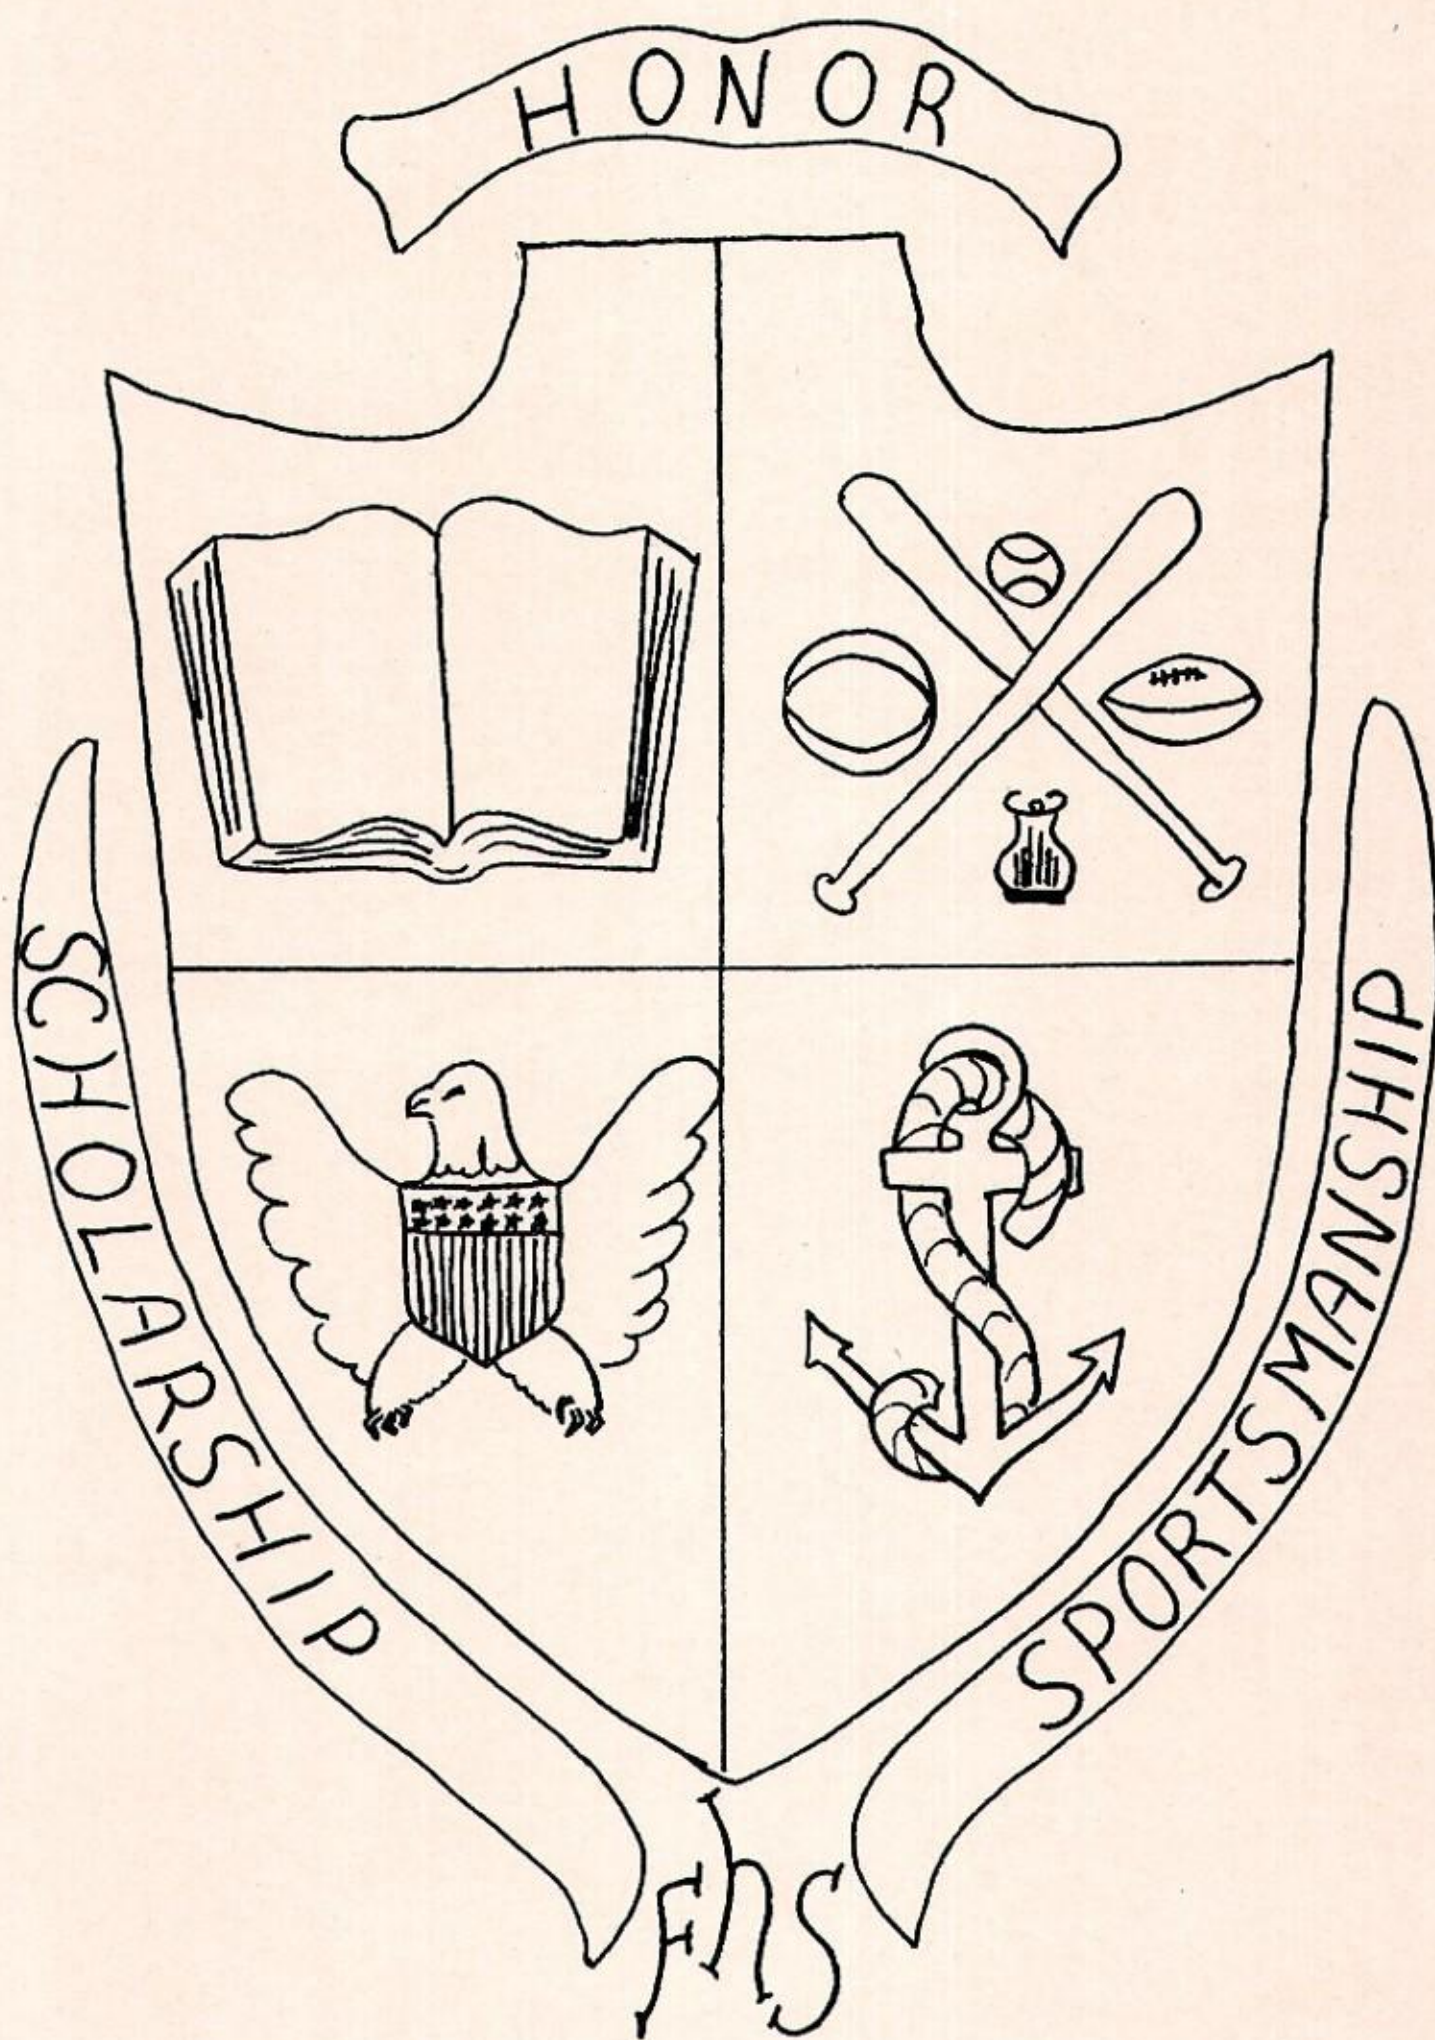

Cornelia and Emily, two 19 year-old girls, are caught in a web of excitement as they depart to Paris on a large, luxurious ocean liner. They pester and perplex the crew. Cornelia, who loves to express herself dramatically, and Emily, a scatterbrain, involve their newly-made friends in a few of their difficulties.

Soon, however, they do arrive in Paris only to be greeted with exploding gas meters and a selfish and mercenary dramatic instructor.

All the characters romp through the play with such gaiety and skill it just proves that their hearts really were young and gay!

NATIONAL HONOR SOCIETY

To become a member of the National Honor Society is the highest honor which can be bestowed upon a member of the senior class. The members are chosen on four counts—scholarship, leadership, character, and service.

Members must be in the upper third of the class scholastically and only fifteen percent of the graduating class is chosen. Grades are compiled on the basis of seven semesters of school, except for mid-years who have already completed eight semesters. Seniors fulfilling requirements were listed, and the faculty members voted for six, which was this year's quota.

The program was an impressive ceremony this year and very different from those of the past. The faculty members were robed, and as the students were chosen, they, too, were given a robe. The initiation service which followed was one of the most dignified and inspiring programs ever seen here.

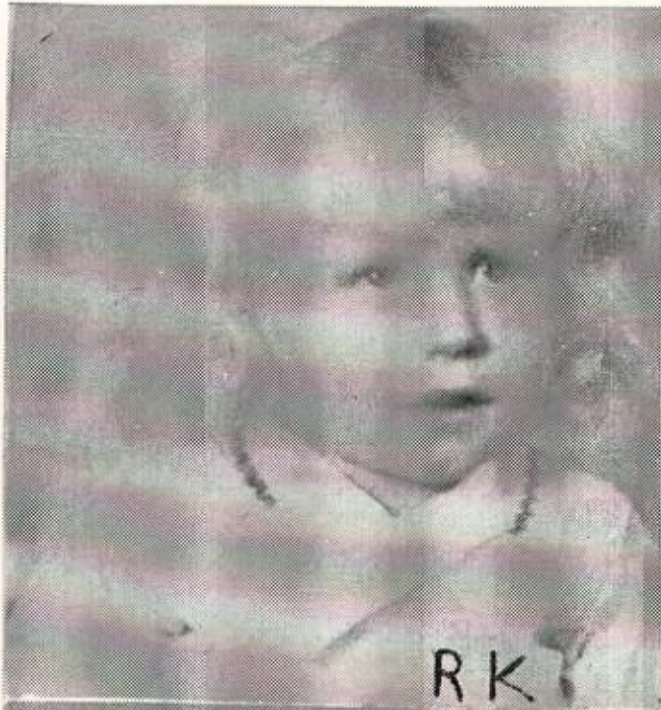

The Emblem of the Society

The emblem is the keystone and flaming torch. As the keystone is used for stability, so the structure of our education is held firm and true by the virtues represented in this symbol. The flaming torch is symbolical of the searching light of truth. Character, scholarship, leadership, and service are represented by the letters C, S, L, and S.
